An efficient approach for determining a price is to send out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion in terms of price. Do this by creating a gross sales page for the brand new ebook, but don't embrace a value on that page.

As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on each page. Make sure your gross sales copy is exactly the identical on each page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum worth is.

In the end, if you happen to've written a e book that solves a problem or presents a new technique, your guide will usher in each site visitors and profits.
