Another technique is to test out costs by making a number of duplicate sales pages with different costs on each page. Be certain that your sales copy is exactly the similar on every web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.

In the end, if you happen to've written a ebook that solves a drawback or presents a brand new approach, your guide will usher in each site visitors and profits.
