Do that by making a gross sales page for the new ebook, however don't include a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is precisely the same

on each page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum value is.

Ultimately, should you've written a book that solves a problem or presents a brand new technique, your guide will bring in each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what problem your guide solves and what the advantages of your 1073 ebook will be to the customers who buy it.
