price. Do that by making a gross sales page for the brand new book, however do not embody a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Make sure your sales copy is precisely the identical on each web page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.
