Do that by creating a gross sales web page for the new e-book, but don't embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your gross sales copy is precisely the same on

each page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

Ultimately, when you've written a ebook that solves a downside or presents a new method, your e book will usher in each traffic and profits. So be sure you write that promoting-handle sentence that sums up what problem your e-book solves and what the benefits of your 117 book might be to the shoppers who buy it.
