Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Be sure that your sales copy is precisely the identical on

every page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

Finally, in case you've written a book that solves a downside or presents a new approach, your ebook will usher in both site visitors and profits.
