Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Ensure that your gross sales copy is precisely the same on each web

page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum value is.

In the end, if you happen to've written a e-book that solves a problem or presents a brand new approach, your e-book will herald both traffic and profits.
