An effective technique for figuring out a worth is to send out a survey to your present customers. If these prospects have already purchased an e-book from you, ask for his or her opinion when it

comes to price. Do this by making a sales page for the brand new ebook, but do not embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with different costs on every page. Make certain your sales copy is exactly the similar on each page, and consists of your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum worth is.

Ultimately, should you've written a e book that solves a drawback or presents a new approach, your book will herald each site visitors and profits.
