An efficient method for figuring out a value is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion by way of price. Do that by creating a gross sales page for the new book, but do not embody a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with totally different costs on every page. Be sure your sales copy is exactly the identical on every web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum value is.

In the end, should you've written a e-book that solves a problem or presents a new technique, your guide will bring in both site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 1331 guide will likely be to the shoppers who purchase it.
