An efficient approach for figuring out a value is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the new e-book, but do not embrace a worth on that page. Another technique is to test out costs by creating a number of duplicate sales pages with totally different prices on every page. Make certain your sales copy is exactly the same on each web page, and contains your promoting-handle sentence.
