Do this by creating a gross sales web page for the brand new e-book, however do not embody a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be sure your gross sales copy is strictly the similar on

every web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum price is.
