If these prospects have already bought an book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new book, however do not embrace a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your gross sales copy is precisely the

identical on each web page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum value is.

In the end, when you've written a book that solves a downside or presents a brand new technique, your ebook will bring in each site visitors and profits.
