One other technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on each page. Be sure your sales copy is precisely the same on every page,

and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, in the event you've written a e book that solves a problem or presents a brand new approach, your e-book will herald both traffic and profits.
