An effective method for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of

price. Do that by making a sales page for the new book, however don't embrace a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is exactly the same on every web page, and contains your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum worth is.

Finally, in case you've written a book that solves a drawback or presents a brand new approach, your guide will bring in each traffic and profits. So be sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 1492 guide will probably be to the customers who buy it.
