The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your selling handle. An effective approach for figuring out a worth is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the new guide, but do not include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is exactly the same on every page, and

consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum value is.
