The key that unlocks the gross sales potential of your ebook is to discover a single sentence that becomes your selling handle. This sentence states what query or downside your guide answers and the advantages your e book can provide. Then be sure to use that sentence in each piece of sales and

promotional material, and each time anyone asks you about your ebook.

An effective method for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the brand new e-book, but do not embody a worth on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different prices on each page. Make sure that your sales copy is strictly the same on every web page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

Ultimately, in the event you've written a book that solves a drawback or presents a new approach, your ebook will herald both visitors and profits.
