Do that by creating a gross sales page for the new e-book, but don't embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Make sure your sales copy is strictly the same on every web

page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.
