The key that unlocks the sales potential of your e book is to find a single sentence that turns into your selling handle. Another strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Make sure that your sales copy is exactly the identical on every web

page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.
