gross sales and promotional material, and each time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different methods that can enable you to sell more books.

One is to offer one thing away for free along with your ebook, resembling a invaluable bonus item. Or bundle a number of ebooks underneath one price, which lowers the value for every ebook in the event that they have been sold separately.

An effective approach for determining a worth is to ship out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion by way of price. Do that by creating a sales page for the brand new e-book, but don't embody a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is exactly the same on every web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

In the end, if you've written a ebook that solves a problem or presents a new method, your guide will herald both traffic and profits.
