a excessive price. In case your book solves an issue or solutions questions in a new and unique approach, you must worth your ebook as high as you'll be able to go. If you want to see large earnings over customer draw, goal for an audience that's searching for straightforward options to their issues at a low price. In case your ebook is aimed toward fixing one specific downside slightly than general advice, then you possibly can cost more. Start at the highest price the market will bear to bring in the largest earnings, and plan to discount the ebook a number of occasions all through the year.
