One other strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Ensure your sales copy is strictly the identical on every

web page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum worth is.

In the end, for those who've written a ebook that solves a problem or presents a new method, your e book will herald both visitors and profits.
