Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with totally different costs on each page. Ensure that your gross sales copy is exactly the similar on

every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum value is.

Finally, if you've written a e-book that solves a problem or presents a new approach, your book will usher in each visitors and profits.
