Advertising Methods

The important thing that unlocks the sales potential of your e book is to find a single sentence that turns into your promoting handle. One is to give something away totally free along with your guide, corresponding to a useful bonus item. Or bundle several ebooks below one price, which lowers the price for every e-book if they were sold separately.

An effective technique for determining a value is to send out a survey to your present customers. If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the new guide, but don't embrace a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the same on each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum value is.

In the end, should you've written a ebook that solves a problem or presents a new method, your book

will usher in each traffic and profits. So be sure you write that promoting-deal with sentence that sums up what downside your guide solves and what the advantages of your 280 ebook shall be to the customers who buy it. And then watch your market come to you!
