One is to give one thing away for free along with your e book, resembling a useful bonus item. Or bundle several ebooks beneath one worth, which lowers the worth for each e book if they have been sold separately.

An effective technique for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion when it comes

to price. Do that by making a gross sales page for the brand new ebook, however don't embody a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Be certain your sales copy is precisely the similar on each page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum value is.

Ultimately, if you've written a guide that solves a problem or presents a new approach, your e-book will usher in each visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your e book solves and what the advantages of your 36 book will be to the purchasers who purchase it. After which watch your market come to you!
