An effective approach for figuring out a value is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion in terms of price. Do

this by creating a sales page for the new guide, but do not include a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with totally different prices on each page. Be certain your gross sales copy is strictly the same on each web page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.
