An effective technique for figuring out a value is to ship out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the new e book, however don't embrace a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different prices on each page. Ensure your sales copy is precisely the identical on every web page, and

includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, if you happen to've written a guide that solves a problem or presents a new technique, your guide will usher in both visitors and profits.
