Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Make sure your sales copy is exactly the identical on each

web page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum price is.

In the end, for those who've written a guide that solves a drawback or presents a brand new technique, your guide will bring in both traffic and profits.
