If these prospects have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new e-book, however do not embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is precisely the same on

each web page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum value is.

Ultimately, should you've written a book that solves a drawback or presents a brand new approach, your ebook will bring in each site visitors and profits.
