An effective approach for determining a worth is to send out a survey to your present customers. If these clients have already bought an book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the new e-book, but do not embrace a value on that page. One other technique is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the identical on

each page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a book that solves a downside or presents a new method, your ebook will herald each traffic and profits.
