An effective method for determining a value is to ship out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the brand new guide, however do not embody a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with different prices on every page. Be sure your sales copy is precisely the same on each page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum price is.

Ultimately, in case you've written a ebook that solves a downside or presents a new technique, your ebook will herald both traffic and profits. So make sure you write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your 754 book will likely be to the customers who purchase it.
