Do this by creating a gross sales web page for the brand new ebook, but do not embrace a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on each page. Be sure that your sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

Finally, should you've written a book that solves a downside or presents a new technique, your book will bring in both visitors and profits.
